Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity
Comments:	I refer to my previous comments regarding this application. The modified application clearly reduces some of the problems identified by me and others. As long as this is regarded as a freestanding application and not as Phase 1 of a larger project then it is certainly less objectionable but still far from desirable. If approved, this point should be clearly written into the permission to proceed with development of the site.

Kind regards
