Dear Andy

The barn hip helps but the extension is still prominent by virtue of its position. Without prejudice to the final decision, I would advise you to submit the application so that it can be considered in more detail.

Regards

Peter Barnett

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
