Dear Rebekah Hincke Senior planning Officer
Adur + Worthing Council.

Ref AWDM/0557/23 6 Eirene Road Goring.
Firstly thankyou for the E. Mails of proposed plans, I do not feel that this is and extension of the property, but a total redevelopment of the site, which will totaly shade the East side of our flat, darkening our on suite bathroom, and more so our kitchen.

When we purchased out flat 2 ½ years ago, an important part of the flat was our small patio garden, which we spend considerable time in as we are both retired. The new development will cancel out all the Sunshine and shade. completely.

Therefore I must object to the proposed redevelopment of 6 Eirene Road, Not wishing to be an awkward neighbour, I felt that I must voice my serious concern.

Thankyou for reading this letter.
