Thursday 24th October 2013

Dear Sir

Asda South Street Lancing
Variation of Condition 13 of L/93/93/TP

I refer to your letter inviting comment on the above application.

It is my view that this retail outlet be subject to the same terms and conditions of opening as the other fast food and retail shops in the vicinity.

This shop attracts many of its customers from outside the Village, thus causing an increase in traffic and disturbance to local residents.

Yours faithfully

[redacted]

Richard Howes FNAEA
