Comments Details

Commenter Type: Neighbour

Stance: Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment: - Other

Comments: The frontage of the property must stay looking exactly the same at the front of the adjacent properties (ie must have garage doors and car port). This was according to the purchase agreement with the developers Crest which says it must stay the same for a period of 10 years, including the colour of the front doors etc. I have no problem with replacement doors at the back of the house going onto the garden but object to the frontage being changed if this is what is being planned
