Subject: Re: WB/07/1413/ADV - Unit C2, Yeoman Gate, Yeoman Way, Worthing

Chris,

Further to our telephone conversion earlier I can confirm the 1400 cd/m2 proposed by the applicant is acceptable.
The condition I would advise you use would be.....

The level of luminescence of the sign hereby permitted shall not exceed 1600 cd/m2.
Reason: In the interests of Highway Safety

Hope this has been of use to you.

Regards

Jamie Brown
