Dear Sir/Madam

Your reference: AWDM/0499/23
Application for consent under Adur Tree Preservation Order N0.13.53/2/06(L)

Thank you for advising us of the above proposals. The trees in question are growing at the top of our garden at 12 Fairview Road, Lancing. For the record, the trees that we believe are subject to the Tree Preservation Order are in fact a sycamore tree, a beech tree and an ash tree.

We have no objection to the owners of Hobbits, Mount Way, Lancing cutting back the branches of the sycamore and beech tree that over hang their garden. As to the height of the trees we feel that up to a 5 metre reduction seems too much, but 3 metres would be acceptable.

We would wish to be on site at the time that the trees are cut as access to our garden will be required.

Yours faithfully,

[redacted]

David Gould & José Cole
12 Fairview Road, Lancing BN15 0PA
