Dear Mr Peck,

Section 211 Notice under the T.C.P. Act 1990 to fell one Leyland Cypress tree in the Old Shoreham Conservation Area

Having received notification of the proposed tree felling at St Nicholas House, The Street, Shoreham I would like to comment on the proposal.

This tree is growing on the boundary between my property and the abovementioned St Nicholas House. This tree is huge and the root system appears to be causing damage to my shed and to the paving on my patio causing a trip hazard. I approached the owner of St Nicholas House in May this year and she agreed to apply for permission to fell the tree and bring the damage to a halt.

I would be grateful if you would record

my support for this work as the felling of this Leyland Cypress tree, a non-native species, would hopefully limit the damage to my property.

Thank you for your help.

Yours sincerely
