Comments: The fence on the boundary of our property has recently be replaced by me at my cost, this was done due to me re levelling my garden and a risk of the previous fence becoming damaged.

This fence was made specifically in consideration of the tree that is to be felled, please can this fence be repaired/replaced or modified should it suffer any damage or change as a result of the tree being removed his would be my only issue and any associated costs be covered by the owner of 87 Manor Road.
