Comments Details

Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: Clarification:
I have just noted that the support narrative submitted 24.10.18 stated i felt the double doors would cause harm to the eventual owners of the property. This was an error.

I do not feel these doors will have any harm to the new owners of the new properties we are building. I apologise for the error.
