Nick Bowden

Due to your illness and unable to keep your appointment with us, we spoke to one of your colleagues.

Your Colleague and receptionist were most helpful and were able to answer most of the questions we put forward including THE PARTY WALL ACT,
Which I did have some concern's about.
I have spoken to MR Watts and he is aware I am not happy, about how low the extension comes down the roof; even your colleague was surprised how big it will be.
However I am resigned to the fact it will go ahead anyway.

Whilst I understand that MR Watts would want to get the work over and done with as quickly as possible by working long hours /weekends.
I would be grateful if you could stipulate that any noisy work is to be carried out during normal working hours 8 am - 5 pm, Monday to Friday and 1 o /clock on Saturdays.
Whereby giving us some respite from all the work that will be going on.

At the moment MR Watts carries out noisy work for himself and private work in his drive way at unsociable hours, which has prevented us from relaxing in our garden; so I do feel that we do need some agreement about the coming working hours which will be going on for some period of time.
