Dear Sirs

PROPOSED DEVELOPMENT 91 GRINSTEAD LANE, LANCING, BN15 9DT

Thank you for your letter regarding the erection of a detached bungalow at the above site.

I am sure you have been made aware that the bungalow is for a family with a disabled child who is in need of special accommodation which the family are willing to erect at their own expense rather than put the burden onto the tax payer.

We are the immediate neighbours and have no objection to the plans being passed. The bungalow will not affect any of the properties in the area and it will probably enhance the area with the removal of the large overgrown tree that affect Shadwells Court and our property.

I hope this letter will go some way to having the plans passed.

Yours faithfully

Mr M Whitaker & Mrs G Whitaker
