Regarding Coneyhurst Lodge
68 St Lawrence Avenue Worthing
I am a resident living at 66 St Lawrence Avenue and the above property stands parallel to my property.
I understand that the property is owned by Acheive and as at yet the planning application has not been approved. Acheive have employed a company called Flora-Etec to do maintenance on the hedges. The hedges have not just been trimmed but approx 5foot have been taken off. This has resulted in my property being totally overlooked resulting in the invasion of my privacy. The upstairs bedrooms now look directly into my kitchen and lounge and also my outside courtyard where we spend a large amount of time. I would like to know if the planning as not yet gone through how has this work been allowed to happen.

We moved into our property a year ago and one of the reasons we are here is because of the privacy, we were not overlooked before this as the hedges provided the privacy.

I await your response.
