Dear Sir/Madam

In reply to your letter dated 19th July 2024, I wish to object to the work at 1 Cokeham Gardens.

The occupier has already carried out work (ie Dormers) to the roof without Planning permission or consulted me.

The building is too large for the plot and I believe it will effect house prices.

The dormers effect the view from my bedroom, second bedroom and gardens, it also effects my privacy.

The building work is taking far too long and is a constant egesore

Yours Sincerely
