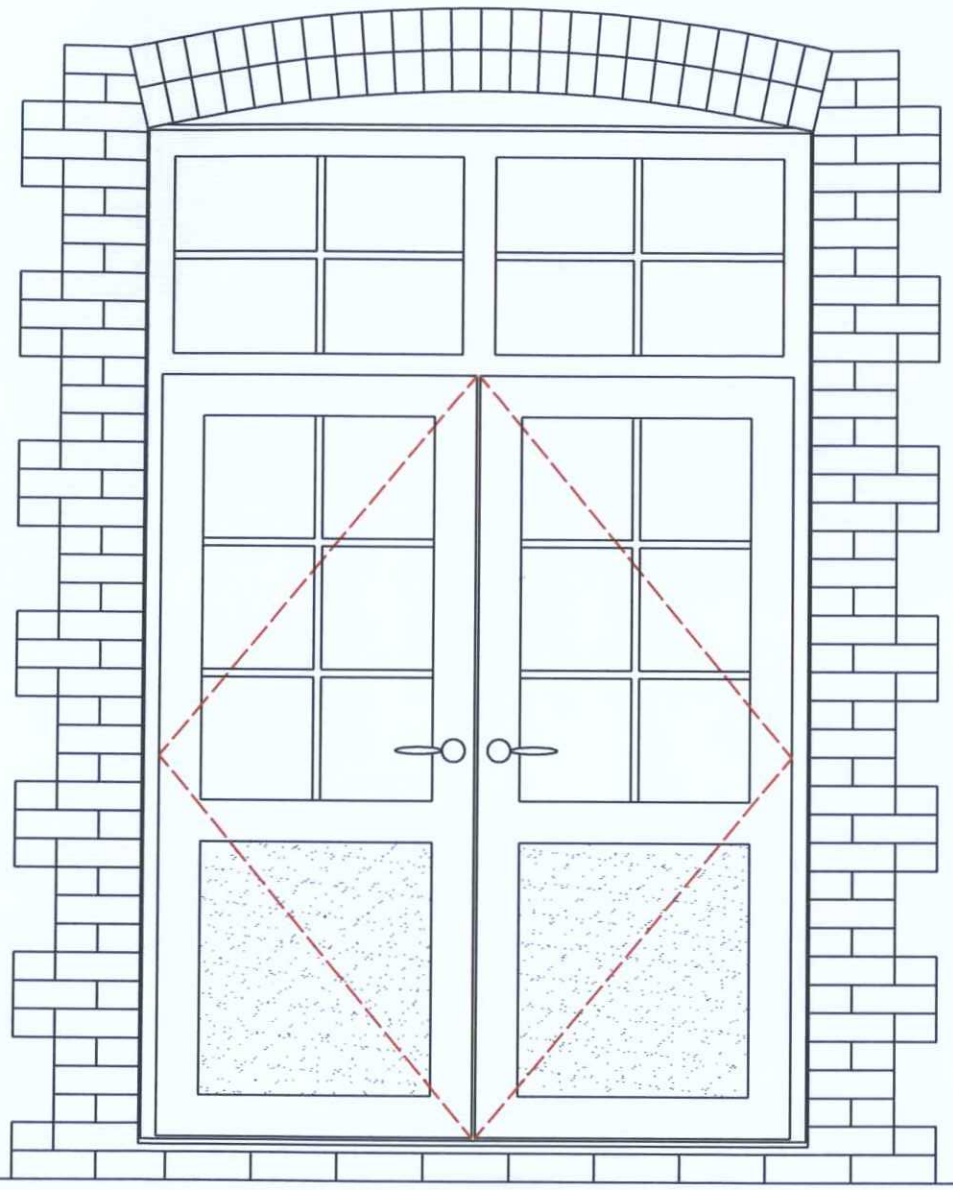
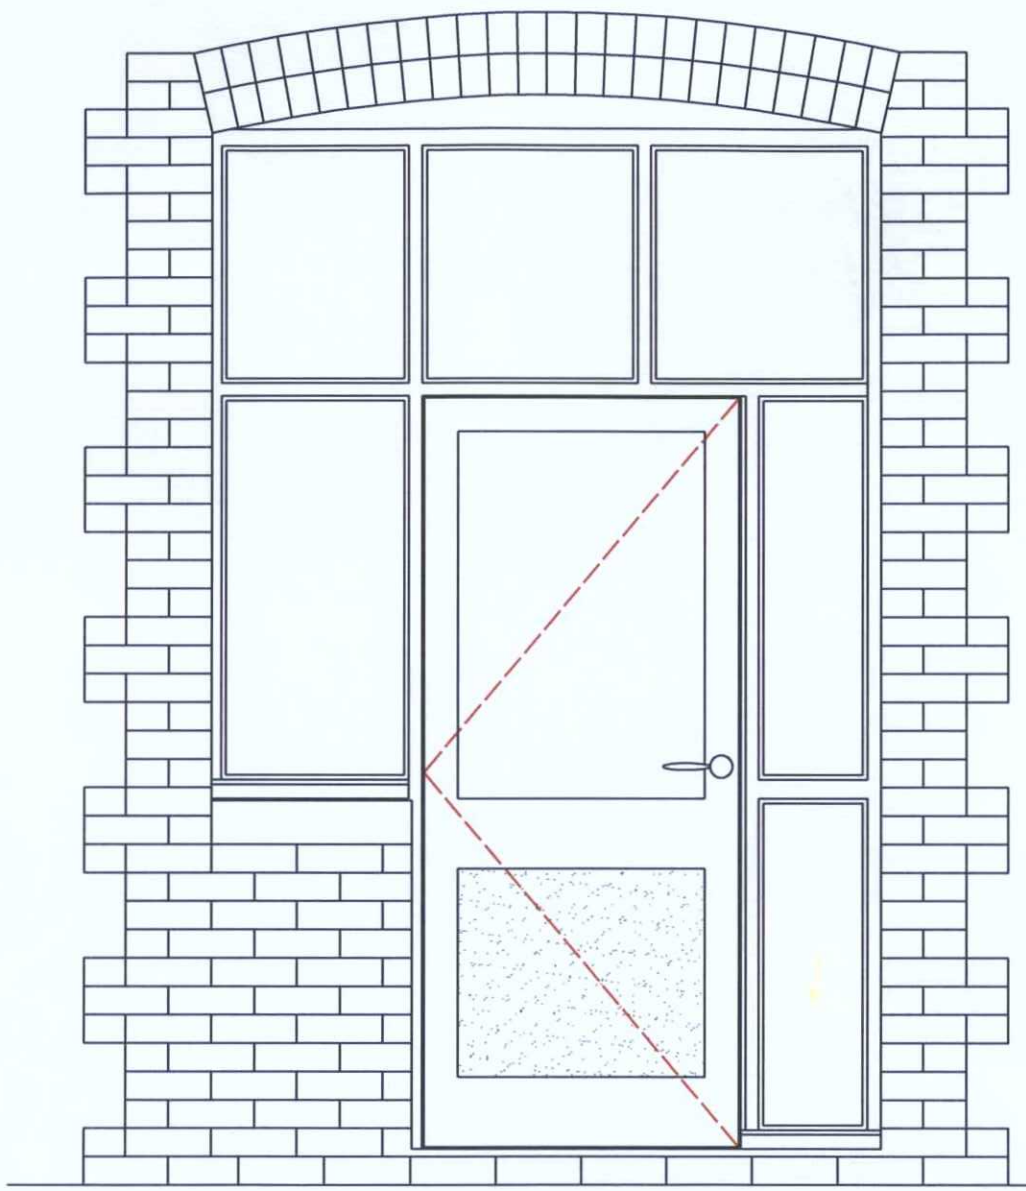
Metres.





Existing Community Hall Complex,
single door\sidelights\toplights combination.
Door hung right, opens out.
Existing timber complex, single door painted black,
sidelights and toplights painted white.
Existing complex is single glazed with obscure glass in sidelight
and door above above midrails and in the right hand window
below transom.
The three toplights are single glazed with clear glass.

Proposed Community Hall Complex
new double door and toplights combination.
Double doors to open out, left hand first.
Proposed new PVC complex, double doors sashes and lower
midrail flat panels to be black PVC laminated outside,
double door frame and toplights to be white PVC.
The whole complex to be white PVC inside.
Complex to be double glazed with 'A' rated, obscure Stippolyte
toughened glass with 18mm Georgian bar grids within the
sealed units above midrails.

Proposed replacement double doors and toplights at the front of
Harriet Johnson Community Centre. No. 18. Loose Lane, Sompting. West Sussex. BN15 0BG.
