WORTHING

BN14 7QR

Dear Sir,

Thank-you for your letter of July 27th in relation to a single storey rear extension of 48 Alfriston Road. I am aware how close our buildings are with short gardens and how small kitchens were in the past.

I am not objecting to the proposed building but do hope there will be some bushes or small trees so that we do not look directly into each other properties.

Yours sincerely,

[redacted]
