WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Adur & Worthing Councils FAO: Jackie Fox
FROM:	WSCC – Highways Authority
DATE:	3 December 2024
LOCATION:	19 Liverpool Gardens Worthing BN11 1RY
SUBJECT:	AWDM/1088/24 Proposed change of use from Class E to Class F (Independent school).
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	More information

WSCC as the County Highways Authority need more information to make an assessment of the highways and transport impact. Whilst the site is quite small the applicant needs to provide information on the number of children, usually the maximum capacity, toi understand the likely number of multi modal movements during the drop off and pick up times.

WSCC are aware this is in a highly sustainable location and access to local bus and pedestrian routes are available. The location also provides 3 car parking spaces although we would need to understand of these are for staff only or for parents dropping children off.

We would also need to understand the age range of the children. To give us an idea if children are arriving independently of parents or if they are being taken to and from the school, of if the school are proposing a mini bus service.

More information is required to understand the likely trip impacts this proposal will have on the local highway network.
