Dear Elaine,

I'm writing to you in response to your visit and email yesterday regarding the neighbours' proposed building development at 28 Stoney Lane, Shoreham-by-Sea. BN43 6LA.

I am the joint home owner of 30 Stoney Lane, which I share with my wife Sarah. We have discussed the proposal, and have no objection to the develpment going ahead.
However, if it is at all possible, we would ask that the applicants be asked to consider obscure glass for both first floor windows as they would look directly into our kitchen, which in turn has a door directly into our primary bedroom. I also realise that this is not enforcable, and would be up to the applicants discretion.

Yours Sincerely

Steven Long
