Dear [redacted]

WORTHING SOCIETY CONSULTATION RESPONSE

AWDM/0622/23 : 41 - 43 SOUTH STREET WORTHING WEST SUSSEX BN11 3AW
Application for Listed Building Consent for replacement of lighting to new LED energy efficient lighting in the front and back of house areas.

Thank you for requesting our comments on the above mentioned application which relates to the Grade II Listed Lloyds Bank building which is within the South Street Conservation Area. This building has some interesting internal, architectural features.

I have now had the opportunity to discuss the proposal with our Heritage Team. We note that the internal features of the building will not be disturbed as the lighting will be replaced on a 'one to one' basis. In fact it appears that there will be a reduction in the light fittings. This form of lighting will also mean that there will be a reduction in energy consumption which is to be welcomed.

I am pleased to advise you, therefore, that we have no objection to this application.

Yours sincerely,

[redacted]
