Notices

HIGHWAYS AGENCY

HIGHWAYS AGENCY
THE A27 TRUNK ROAD WORTHING - SHOREHAM TEMPORARY OVERNIGHT SPEED RESTRICTIONS

NOTICE IS HEREBY GIVEN that the Secretary of State for Transport intends to make an Order on the A27 Trunk Road, in the County of West Sussex, under section 14(1)(a) of the Road Traffic Regulation Act 1984 because works are proposed to be executed on the road.

The effect of the Order would be to impose overnight temporary mandatory speed restrictions on the following lengths of the A27:

(a) a 50 mph speed restriction on the eastbound carriageway of the A27 (Arundel Road) west of Worthing between points 1600 metres and 600 metres west of the access road to Holt Farm, including the slip road leading to this carriageway at the A280 junction (Long Furlong);

(b) a 40 mph speed restriction on the eastbound carriageway of the A27 (Arundel Road) from a point 600 metres west of the access road to Holt Farm to that access road;

(c) a 40 mph speed restriction on the eastbound carriageway of the A27 (Arundel Road) from the access road to Holt Farm to its junction with Cote Street (where the permanent speed limit is greater than 40 mph); at certain stages of the work a 10mph speed restriction would be imposed on lengths of this carriageway while traffic is escorted through the works area by a convoy system;

(d) a 50 mph speed restriction on the westbound carriageway of the A27 (Shoreham Bypass) from its junction with the slip road leading to the A283 (Steyning Road) to its junction with Old Shoreham Road, including the slip road leading to this carriageway from the A283 at Adur Interchange;

(e) a 40 mph speed restriction on the westbound carriageway of the A27 from its junction with Old Shoreham Road to a point 800 metres west of that junction;

(f) a 10mph speed restriction, at certain stages of the work, on the westbound carriageway of the A27 between points 600 metres west of its junction with Old Shoreham Road and 75 metres east of its junction with Mash Barn Lane while traffic is escorted through the works area by a convoy system; and

(g) a 50 mph speed restriction on the westbound carriageway of the A27 (Upper Brighton Road/Sompting By-Pass) from a point 142 metres west of its junction with Busticle Lane to a point 166 metres east of its junction with Upper Brighton Road (near Lyons Way).

These measures would be in the interests of road safety while contractors undertake resurfacing and road marking work.

It is expected that the work would last for approximately 8 nights starting on or after Tuesday 1st September 2009 between 2000 and 0600 hours (maximum period).

The Order would come into force on 29th August 2009 and have a maximum duration of eighteen months.

The temporary mandatory speed restrictions would be clearly indicated by traffic signs when they are in operation during the works periods.
