Reasons for comment: - Privacy Light and Noise

Comments: Work on these two particular trees, as with ALL the trees along the rear of the back gardens of Freshfields Drive/rear of Lancing Close is LONG LONG overdue. The trees in question are far too tall, block light, and encourage not only wildlife to roost and the associated mess they produce, but an abundance of falling debris into neighbouring gardens. This matter, to my mind, should have been dealt with a long time ago, and not to a point where the said trees have become a nuisance

Kind regards
