Subject: 85 Buckingham Road ADC/0433/09 -Flue

Dear Mrs Lightbown,

Following the construction of the flue which was contrary to the approved plans for the above development our planning team have considered the proposed changes at a meeting yesterday. It has been decided that the chimney as originally permitted should be reinstated as a traditional design feature which is sympathetic to the existing building and street scene. If the new brick built chimney would need to be different to that which was approved then an amended drawing will need to be submitted and considered.

I look forward to hearing from you as to how you wish to proceed with this matter.

Yours sincerely,

Hannah Barker
