Dear Sirs,

Re: Planning Application – 181 Findon Road, Worthing, West Sussex, BN14 0EP

I am writing to you today in connection with the above-mentioned application from Chrome Linings Estates Ltd for a proposed 2 story rear extension for the creation of 3 new dental surgeries at the above-named premises.

There are arrangements in place between Chrome Linings Estates Ltd and Dentistry For You, who have recently been successful in the South East procurement contract award process for this area, to set up a Dental Practice at this location in Worthing.

The proposed plans would enable the setup of a 7-surgery practice delivering much needed NHS dental services to the local population.

I would therefore be grateful if you would accept this letter as support for this planning application from NHS England – South East.

Yours faithfully,

[redacted]
