PLANNING SERVICES

(Your Reference AWDM/1197/13).

Dear Sir,

We are writing to lodge our objection to the Retrospective Planning Application of number 2 Crabtree Lane Lancing.

The reasons for our objection, are not on the Considerations List unless you count the fact that , where there used to be a gate leading to the back garden between the garage and the house, there is now a built up wall and a small window instead of the gate , and no other exit to the front in time of emergency other than the front door.

This brings us to the reason why we object to this Planning Application
We live opposite this property, and from what we have seen , it looks as though that property is being used to care for some disabled people, and wonder if he has been allowed a licence to run it as a nursing home (not mentioned in your letter to us.)

If he has been granted permission to use this as a nursing home legally., then we can have no objection, but , we also wonder if the necessary fire precautions are in place.

we are preparing to get advice from the relevant Departments
Bearing in mind this is a residential area .

Yours Faithfully
Mr and Mrs P and B Legg.
