Subject: REJECTION OF APPLICATION AWDM/0607/22 | Demolition of existing buildings (B1 and B8) and construction of 5no. two bedroom Live/Work mews dwellings. | Garage Compound Rear Of Kingston Broadway Hawkins Road Shoreham-by-sea West Sussex.

Dear Neil and Angus.

I would like to officially reject application for AWDM/0607/22 | Demolition of existing buildings (B1 and B8) and construction of 5no. two bedroom Live/Work mews dwellings. | Garage Compound Rear Of Kingston Broadway Hawkins Road Shoreham-by-sea West Sussex.
My reason is I have recently bought a property on the back of those garages and bought the flat I live in due to it being a quiet residential street, and checking that no building construction had been planned in the foreseeable future as the reason why I bought this flat when I moved in August 2021.
As a resident of this area I have been very frustrated that there is no where to park along the residential road because of the Garage MD Motors continually parking their cars along the residential road. Taking up spaces for residents.
Now I have just learnt that the problematic Garage of MD Motors is going to destroy the local community by turning this lovely, quiet residential area into a construction site.
Please tell me what I can do to stop this proposal from happening? I also didn't receive any information about the proposed mass building planning.
I would appreciate a response within the next 7 days from today Friday 20th May

Kind regards,

Adam Bennett
