Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	My objections and position remains the same... loss of privacy for me in the garden, plus I see now an annex has been added which will make matters worse. As I said previously, I also worry about the parking problems when the builders start working as the road is very narrow and not enough room for trucks and large vans to park.

Kind regards
