Dear Sirs

Re: AWDM/1302/15

We object to the demolision of existing chalet bungalow and the construction of 2 no 3 storey houses with flat roofs for the following reasons.

1. The close proximity to existing properties will be overbearing.

2. The size and hight will result in loss of light and privacy to its neighbours bungalows and houses.

3. It would be detrimental to the character and amenities of the locality.

4. finally it would set a president for all the other houses along Kings Walk to add a 3rd story to their properties.

Thank you for taking time to read this letter and we are confident that you will take the above views and reject this application.

Yours Sincerely
