Ref planning application AWDM/1911/16

Proposed extension front and rear to 63 Old Barn Way, Southwick, BN42 4NS.

Retraction of Objection to proposal

Dear Sir/ Madam

As the owner of 61 Old Barn Way, Southwick, BN42 4NS, I am writing to retract my previous objection (dated 23rd January 2017) to the current planning application quoted.

After discussing the proposed planning application Mr Packer and I have struck and accord with regards the proposed planning of his front and rear extensions; this accord eliminates all my previous objections. I therefore would like my previous objection removed from this application.

Furthermore, I would like to give my support to the current plans (477/01 rev B) and the purpose for which they are being carried out for.

Yours sincerely

Alan Darby
