Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment: - Privacy Light and Noise

Comments: I admitted to make he observation in my last comment, that the architect drawing showing hat the window in 151 would not have ight obscured is incorrect, the window is in fact not as shown, but wold be right next to the proposed elevation and would cause loss of light, the same with 147, loss of light to the first floor bedroom.
Richard Minday
