Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	Will provide privacy, security and safety for residents of Caxton house. I feel this is especially required given the high level of antisocial behaviour that has occurred in the garage - including Arson, property damage, bike theft, public urination, illicit drug use and people sleeping in the garage overnight. Please for the sake of residents mental health approve this application.

Kind regards
