Reasons for comment:	- Trees and Landscaping
Comments:	I live in The. Pleasance which is one of 3/4 houses that are affected by this dangerous tree ,we have photographic evidence of large branches that have fallen over the years Mr Kent who lives in The folly had a tree taken down a few years ago ,luckily no body has been hurt yet but is only a matter of time .if this tree came down it would destroy any of the property's ,every year that goes by it becomes more unstable.
