Dear Amanda,

RE: AWD/1534/25 - 37 Parkfield Road Worthing West Sussex BN13 1EP.

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for a proposed single storey rear / side extension and loft conversion to include side hip to gable roof extensions and rear dormer. The application is to Worthing Borough Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the size, site location and type of development, **we would recommend the approval of the application** with the following informative attached:

Informative 1: We have identified a surface water flood risk adjacent to the site; therefore, appropriate flood resistance and resilience measures should be considered within the development.

Yours sincerely

Sustainable Water Management Officer
