PLANNING SERVICES

Ref AWDM/0714/13
40, Cheal Close.

I am writing to object to the plans for No 40 Cheal Close BN43 5RQ. My parents have recently purchased the Bungalow next door No 42 Cheal Close. The initial reaction when they first saw the property was the attractive uniform presentation of all the Bungalows on that side of the road. The Proposed extension coming forward of the existing building line will ruin this.

The South aspect of the front of the Property allows plenty of light to flood into their lounge, the extension will certainly compromise this. The Bungalows in the Close have been designed in a staggered way therefore allowing the occupants to receive as much light as possible.

I hope you will seriously consider all these points and decline the planning application.

Yours Sincerely
