Subject: THATCH COTTAGE, POND LANE, WORTHING, WEST SUSSEX

To: <planning@adur-worthing.gov.uk>

Dear Sir/Madam,

THATCH COTTAGE, POND LANE, WORTHING, WEST SUSSEX

Yesterday I was passing the above property in Pond Lane and saw your attached notice. You must be advised that this Listed Building has been broken into, the door ripped open, the gate kicked in, the windows pulled out and the litter and debris scattered all round the property and garden areas. This, added to the original fire damage which gutted the property many months ago, and during which time no serious action has been taken to keep this property secure.

Whether private or publicly owned, this listed building needs to immediately be made secure, the site cleaned and cleared of debris and rubbish, and notices placed threatening prosecution should any further damage occur.

I hope the Council will not ignore this, as currently the site is a blight on the community.

Mrs J Startup

75 New Road, Worthing BN13 3JP
