I'm writing this for the owner - my wife - who at this moment is very ill, who will be visited by the Doctor from A.D. Medical Group at 3. Queensway - on Tuesday 10th - 12.30

I'm or were very concerned at the proposal to the letter sent to us. My wife as above the owner

We have lived here for 61 Years, and are both now over 90 years of age.

This building will completely block our view, we've enjoyed this view of the sea. Which we will no long have. We will be looking at a brick wall, but would still see at bit of the sea. Unfortunately he has a garage the complete size of the garden.

20-30 sq feet.
which he has now raised
the roof by another 3-4 ft
Work started today 9th July
complete blocking all the rain
of the sea etc, and no doubt
reduce the price of 123 when sold
whilst may not be so long:
Why all the extension as he
is a single person. I don't know
as he also own an empty house
at No 117 Downs way

Yours sincerely
Harben

the wrong centre Ham Road and was
advised to write to you 9th July —

as the position may arise so in —
I cant leave so long at any time
Thank you anyway
whatever the outcome.
