Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Other - Privacy Light and Noise
Comments:	We have no objection to the change of use. However, if the upstairs accommodation is to be used we would request that the entrance/exit is not via the open metal fire escape at the south side of site. This would have a considerable impact on our privacy. We welcome the general tidy up of the site as we have experienced rodents coming from the area behind the garage and the roof gutters are full of debris which result in excess water spilling into our garden.
