Comments: Dear Mr Peck, Thank you for your letter advising of an amendment to the plans for the pool enclosure. I have looked at the new plan and can only see that the change in design does nothing to affect the overall basic concept and will still form an unsightly obstruction of the open beach plan. It is basically a single storey exstension covering a very large percentage of the rear garden and the comments I made in my letter 29.05.16 remain unchanged. Yours Sincerely, Malcolm Hollett.
