SCHEDULE

Reasons for Granting Permission

01. The proposed development would not detract from the local environment and can take place without resulting in unacceptable detriment to the amenities of neighbouring properties. It would consequently not conflict with the policies of the Adur District Local Plan (AG1, AH7) and the West Sussex Structure Plan (LOC1, DEV1).

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. No development shall be carried out unless and until a schedule of materials and finishes to be used for the external walls and roof of the extension, to include a decorative pattern of tile hanging, has been submitted to and approved in writing by the Local Planning Authority.

Reason: *In the interests of visual amenity and to comply with policy AH7 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

03. This permission relates to the amended plans received on 20th July 2007 and not to the plans originally submitted.

Reason: *For the avoidance of doubt and because the application as originally submitted was unacceptable having regard to policy AH7 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

04. The rear south-facing first-floor windows shall at all times be glazed with obscured glass and fixed to be permanently non-openable with the exception of small top-hung opening lights, details of which shall be submitted to and approved in writing by the Local Planning Authority prior to installation.

Reason: *To prevent overlooking and to comply with policy AH7 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*
