Site: **27 Ravensbourne Avenue Shoreham-by-Sea West Sussex BN43 6AA**

Proposal: **Construction of hip end roof over existing flat roof extension to side**

The Application

The application site contains a double storey detached dwelling located on the western side of Ravensbourne Avenue. A second storey extension was constructed above the garage on the southern side of the building in accordance with planning permission granted in 1991 (SU/1/91/TP).

The applicant proposes to replace an existing flat roof that covers the side extension with a hip end roof. The need for the replacement roof is due to gradual deterioration of the existing roof.

The surrounding street scene consists of predominantly 1 – 2 storey detached dwellings, a number of which have had extensions similar to No. 27, with hip end roofs above.
