Comments

Dear Sirs,

With reference to the above planning application I wish to make the following objections.

1. I feel that the proposed additional extension to the rear of 11 Irene Avenue will further restrict the outlook from the living room of 9 Irene Avenue.

2. I also feel that this additional extension will also substantially reduce the amount of light coming from the north through the only window in the living room of 9 Irene Avenue.

Comment

I have no objections to the replacement of the sun lounge at number 11 with a dining room, providing this does not extend past the present kitchen extension at the rear of the property.

Unless you indicate below you will not be allowed to speak at the Committee meeting:-
