Dear James

With reference to the above application, the depth of the extension at 5.3m is considered to be rather excessive. While I note the small hedge and outbuilding on the neighbour's side of the boundary, I consider that the proposal would be rather unneighbourly and would therefore recommend reducing its depth by 1m.

I shall be grateful if you would submit an amended drawing by 18 June at the latest.

On a separate matter, are you able to let me have your response to my email of 18 May regarding the balcony at 66 Brighton Road?

Thanks

Peter
