Address:	8 Fishermans Walk, Shoreham-by-sea, West Sussex BN43 5LW

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Dear Eve, I am a resident of 8 Fishermans Walk and together with my wife we own the land next to our property. Our intention is to build a family home on the plot of land. The current bus stop since the recent replacement has been moved closer to the border of our land at 8a Fishermans walk which we are already not happy about where no permission was requested.

There is now a proposal of flashing advertisements, double sided two panel on the bus stop that will change every 10 seconds. We feel that this is unacceptable as a resident and father family of small children. The flashing lights will have a negative impact on the wellbeing of my family and the lead lighting is artificial and can cause eye damage accordingly to PubMed Studies.
We strongly object to this application.

We also feel that wildlife in the area will be affected by such artificial lighting.

Not to mention that the bus stop has already seen recent upgrades as mentioned meaning substantial amount of tax payers money already been paid on it.

I look forward to hearing from you?

Kind regards
