Comments:	I live in a bungalow next door to 32 Cheal Close which is linked to me by garage. I would like to object to their planning application because: The main reason I bought my property , 9 years ago ,was because I like the glass frontage and view. Having this view out of my lounge window provides a feeling of openess and space, something which is valuable to me. The proposed 2m extension to the front of their property will encrouch on this feeling of

openess and space. Not only will this reduce my view whilst in my lounge/dining room, it will also be a brick wall I am faced with. Basically, I will be blocked in.

The whole idea of living in a road of bungalows, is to enjoy the space this provides. My feeling of space will be severely impaired with this extension, and my view of the close will be taken away.

Kind regards
