Dear Mr J. Appleton,

Thank you for your letter of 13-2-13 advising me of the proposed changes to the cottage no. 36, Ship St, Shoreham-by-Sea Sx.

I own no. 37 Ship St. which I do not live in but have a very good long term tenant there.

Having looked at the plans for 36 Ship St at the Civic Centre. As this is a conservation area what effect will there changes to the appearance of the cottage

have on Ship St.
My other concern is the loss
of light at the back of
my cottage.

Yours faithfully
