CHAMPIONS!

Rebels' rise to bring tourism boost

Worthing Football Club have been crowned National League South champions – but their promotion is more than a sporting milestone.

The victory means next

season the Rebels will compete in the National League, the highest level in the club's 140-year history next season.

They will be up against teams from all over the coun-

try – with a big boost for the local economy expected.

Worthing's win was not the only sporting success on Saturday – Steyning Town FC won the Southern Combina-

tion Football League Premier Division title for the second time in three years.

Pair win Greene King gong

A couple who transformed a Worthing pub into a vibrant success have won a top award from Greene King.

Husband-and-wife team Daniel and Jamie Horn opened the doors of The Castle, in The Strand, after it was transformed and rebranded as a family local, with a focus on sports, live music and community events.

A chef by trade, Daniel had always dreamed of running a pub and the rebranding of the former Golden Lion proved the perfect opportunity.

Planting volunteers are sought

Residents, businesses and community groups have been invited to take part in Worthing's annual Seafront Planting Competition, which returns on Saturday, May 16.

Organised by the Worthing Town Centre Business Improvement District, the popular event plays a key role in enhancing Worthing seafront, bringing colour, creativity, and community spirit to one of the town's most important public spaces.
