Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Privacy Light and Noise
Comments:	The application for three dormer windows in the roof will allow the owners to look into opposing houses' rooms therefore invading privacy. As the opposing houses are at a higher level this would allow viewing into both downstairs and upstairs rooms. The majority of homes on that side of Howard Road only have south facing dormer windows. Consent for this application could also set a precedent for further overdevelopment in this road and cause distress to other residents.

Kind regards
