Dear Sir

Your Ref: **ADC/0156/10**
Location: **2 New Cottages, Coombes Road, Coombes, Lancing**
Proposal: **Change of use of part of field at rear to form part of garden for domestic horticulture etc**

Although not objecting to this application, the South Downs Society would ask that consideration be given to painting the chicken shed dark green to help it blend in more with the landscape and that hedging plants be planted that will provide adequate screening of the chicken shed and utility store. Until such time that any indigenous planting matures, perhaps some fast growing plants could be planted to provide a temporary screen and then removed once the indigenous plants mature.

We hope that you will take these points into consideration when determining this application.

Yours faithfully

Steve Ankers
Planning Officer
