Stance: Customer objects to the Planning Application

Reasons for comment:

- Highway Access and Parking
- Other
- Overdevelopment
- Privacy Light and Noise
- Trees and Landscaping

Comments: If this goes ahead, the residents will be subjected to years more noise disturbance. The road coming in is already impractical for the residents and more traffic coming and going will cause chaos. The road in to this site is full of dips which are still not filled meaning the heavy machinery is extremely loud, not to mention damaging our cars. Be nice to see the final fix on what's already here before doing more.
