BRIS 020

Dear Mr. Peter Barnett

I do not approve of

balcony + glass topped

swimming pool - ridiculous

+ out of character for

rest of avenue which is

mainly made up of semi-

detached bungalows with

shared driveways.

My privacy has already

been totally invaded by huge

clean glass windows over

looting my front door - I

do not want my back

and side of house to be

totally invaded as well.

Yours Sincerely
