Dear Head of Planning,

Planning Application for 15 Beach Huts in Front of Golden Sands Caravan Park Adjacent to the Sailing Clubhouse Application No ADC/0471/10

I would like to object to the above Planning Application on the grounds that it will have a detrimental affect on the outlook of the Golden Sands Caravan Park and will spoil the enjoyment of the beach-hut owners who will be blocked off from their existing sea view.

It was always understood that Mr. & Mrs. Cooper had control of the positioning and supply of the beach huts along the frontage of Golden Sands Caravan Park and Lancing Parish Council had control of a large beach front area to the west and east of the site.

We feel this is an imposition by a Local Council and it is unfair treatment to a private business family who are trying to enhance the tourist trade in the area.

Yours faithfully,
